Turn up the heat! July 4th Tea Party

Declaring Independence from Tax and Spend Politicians

THE NEVADA COUNTY TEA PARTY PATRIOTS

We want to keep you, the grassroots of our movement, up-to-date about the various activities that will take place in our community. We welcome your comments, your ability to volunteer, and your donations of time, money and materials to our events.

Our first Tea Party took place on February 27, 2009, with one week's notice. There were 150 sturdy souls at that event and we considered it a great success. Little did we know at the time how big our next one would be. The concept caught on like wildfire in communities across the USA.

The Sacramento event drew well over 20,000 people and was one of the largest in the country. Attendance throughout the country exceeded 1,200,00, probably the largest one day event in the history of the country. Media & politicians, who usually ignore us in the middle, gave us national & local coverage. And, that was just the beginning!

On June 6, 2009, we will be having a Nevada County Tea Party Patriots event at the Nevada County Fairgrounds (gate 4) to keep the movement going strong. Mark Meckler, from the Tea Party Patriots national leadership, will be there to encourage us as will as other guest speakers. There will be music and good ol' Nevada County fun. There will be a \$5 donation per person (children under 12 are free) to help us cover some expenses. For this event we are in need of donations. It can be balloons, banners, sound equipment, patriotic displays, or cash sponsorships. We need to raise at least \$1,500 to pay for the site at the fairgrounds, stage, and miscellaneous other items. So, mark your calendar now.

On the 4th of July, the Nevada County Tea Party Patriots will be participating in the Grass Valley parade. We encourage everyone to march with us. Dress in the costumes of the day, if you have a horse, dog, or goat, bring it, bring signs and flags, and show your patriotism for our great country.
